

The TD Summer Reading Club at Brighton Public Library is under way!

We are here to inspire the joy of reading all summer long. At curbside, kids can register and pick up their Club Kit with everything they need to get started. After a week of reading enjoyment, they can return to curbside, get their reading card punched and play PLINKO to win a prize!

There will be a weekly Facebook contest as part of the Parent and Caregivers Group. Entries will go into a draw for a local gift card. This Group is where you can go for regular updates on our children's activities all summer.

Click here for more information about the TDSRC

https://www.tdsummerreadingclub.ca/about_the_club

In addition, we will be hosting a StoryWalk®. What is a Story Walk®?

StoryWalks® were created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Vermont Bicycle & Pedestrian Coalition and the Kellogg Hubbard Library.

One day a week throughout the summer, the Story Walk® will pop up in a local park. Families can walk their way through the pages of "The Thing Lou Couldn't Do" by Ashley Spires. Find a list of locations on the map below. Families are invited to comment on Instagram with a picture of themselves at the StoryWalk® for a chance to be entered into a summer long contest. One lucky family will win a prize pack!
